

Search for the student in Campus and go to the bottom of the summary page. If the parent information is listed in the Relationship section on District information. First sections shows relationship to student 2nd shows (parents name) 3rd is home contact language and if the parent has a portal login it will be in the section after language. If the parent does not have a username give them the GUID that matches the relationship number where their name is. Relationship1 = Relationship1 GUID
